### Visa Infinite Credit Card Issuance Fees Cashback Campaign Terms and Conditions:

- The campaign applies on newly issued primary cards from 1<sup>st</sup> of July until 30<sup>th</sup> of September 2026.
- Supplementary, replaced, reissued, and downgraded cards will be excluded from the campaign.
- The cardholders will be required to activate and use their cards with a minimum of 50% of the granted credit limit within 1 month from the card's issuance month as shown below:
  - Cards issued in July 2026: Will have the opportunity to activate and use the card before the end of August 2026, to be eligible for the issuance fees cashback that will be added before the end of September 2026.
  - Cards issued in August 2026: Will have the opportunity to activate and use the card before the end of September 2026, to be eligible for the issuance fees cashback that will be added before the end of October 2026.
  - Cards issued in September 2026: Will have the opportunity to activate and use the card before the end of October 2026, to be eligible for the issuance fees cashback that will be added before the end of November 2026.
- Eligible cards will earn a cashback equivalent to the card's issuance fees of EGP 8,000.
- Canceled, overlimit, over-credit, delinquent cards, and cards exempt from issuance fees will not be eligible for the cashback.
